

Design Your Own Kiddush Cup

Start by drawing over the outline of the Kiddush Cup then you can add designs, or show a scene using a Kiddush Cup or you could add words that tell you when to use the cup – it's up to you!

Remember a **Kiddush Cup** is a very special object and is used on the most holy day of the week; Shabbat.

Your Kiddush Cup needs to show just how special this day is.
