
EVENT HIRE AT THE JEWISH MUSEUM LONDON

Introduction

The Jewish Museum London is located in a beautiful Grade II listed townhouse in the heart of Camden Town, a short walk from Regent's Park. The Museum tells the story of the history and heritage of Jews in Britain through universal themes of migration, family, faith and culture. As part of your hire your guests will have access to the Museum's inspiring content – including temporary exhibitions, such as *Amy Winehouse: A Family Portrait* and *Designs on Britain*, which we have previously hosted.

With its contemporary design and a number of versatile spaces, the Jewish Museum is the ideal setting for unique events and memorable guest experiences.
