

Lasting Legacies (KS2, 3, 4)

Summary:

Discover the impact of the Kindertransport from one person's experience. Students will hear filmed first-hand testimony from a former Kindertransport refugee.

Learning Objectives:

- 1) Explore the life of one person and through their life story and learn about the effects of Nazism of the Jewish community
- 2) Reflect on issues relating to Human rights & Legacy, identity and faith, Emotions and Feelings, Memory and Senses
- 3) Understand and empathise the importance of remembrance and legacy from the perspective of the Kinder as well as recognising the need to reflect on the past to understand the present and future.

Workshop structure (1 Hour total)

- Exploring importance of legacy and methods of testimony
- Hearing exclusive filmed testimony of former Kindertransport refugees
- Reflection activities
